2. Three Heiland Visicorders, which required extensive  
modification by the contractor, were purchased under Task 7 for  
use with the base station of the High Speed Agency Communication  
System, [ ] This purchase and modification, however, depleted  
the funds established in Task Order 7. Further, additional funds  
will be required for this contractor's support in the forthcoming  
evaluation of the High Speed Intercontinental Communications System,  
[ ]
